Manufactured Concrete Masonry Unit Product Warranty

Reading Rock, Inc. (“Reading Rock”) warrants its Concrete Masonry Units (CMU) products to meet ASTM C90 manufacturing guidelines and specifications for the life of the product, provided the products have been installed, used and maintained according to industry accepted guidelines and as recommended by the manufacturer. This warranty does not cover damage resulting from improper installation, abuse, accidents, Acts of God, erosion from water, fire, normal wear and tear, fire, unauthorized modifications, misuse, or failure to properly maintain. This warranty is limited to the products’ original purchaser and proof of purchase is required. This warranty is not transferable.

Defective or otherwise non-conforming manufactured products shall be removed and returned to Reading Rock, at the customer’s sole cost and expense, where they will be tested by a certified materials laboratory in accordance to applicable ASTM standards. Any product that does not meet applicable ASTM specifications or acceptance criteria will be replaced by Reading Rock. Reading Rock’s liability and the customer’s exclusive and sole remedy for breach of warranty will be limited to replacement of the goods, or at Reading Rock’s sole and absolute option, refund of the purchase price of any goods. Reading Rock’s warranty does not include any other costs, including the cost of labor for replacement. Exact color matching and shape of replacement materials cannot be guaranteed. Reading Rock, in its sole and absolute discretion, may provide customer with an alternate color and/or shape available from its current product line at the time a warranty claim is accepted.

Due to the nature of the product and the manufacturing process, “efflorescence” may be present and does not constitute defective product. Efflorescence is a whitish, powder-like deposit that may appear on concrete products. It in no way affects the structural integrity of the concrete product and will wash and wear off over time. Industry acceptable products are available to assist in the cleaning and removal of efflorescence. The use of concrete setting practices and the building’s detailing may also increase the possible occurrence of efflorescence. Because this is a natural occurrence, Reading Rock accepts no responsibility for this condition.

EXCLUSIVE AND SOLE REMEDY FOR BREACH OF WARRANTY WILL BE LIMITED TO REPLACEMENT OF THE GOODS, OR, AT READING ROCK'S OPTION, REFUND OF THE PURCHASE PRICE OF ANY GOODS.
